Hillcrest Hospital  
6780 Mayfield Road  
Pathology, 2<sup>nd</sup> Floor Atrium  
Mayfield Heights, OH 44124

### Ohio Society of Pathologists Virtual Poster Competition

The [Ohio Society of Pathologists](#) is hosting a virtual poster competition for all Ohio pathology residents, fellows and medical students at our [Fall Webinar](#) on Saturday, November 5, 2022.

Posters already presented at another national/regional meeting in the past 12 months are **WELCOME!**

#### **Submit a Poster**

Submit a pdf or PowerPoint copy of any poster you have presented in the past 12 months (poster can already have been presented at another regional/national meeting) to Val Campana, OSP Administrator, at [veliaacampana@aol.com](mailto:veliaacampana@aol.com).

#### **Deadline for Submissions**

Friday, October 21, 2022

#### **Rules**

One poster submission per trainee.

#### **Prizes**

1<sup>st</sup>, 2<sup>nd</sup>, and 3<sup>rd</sup> place prizes (monetary prize and certificate). Winners will be selected by the Ohio Society of Pathologists Board of Governors and announced during the business meeting of our [Fall Webinar](#) on Saturday, November 5, 2022. The winners' posters will also be uploaded to our [website](#) after the webinar.

#### **For more information**

For questions, please contact Val Campana, OSP Administrator, at [veliaacampana@aol.com](mailto:veliaacampana@aol.com) or call (216) 375-6379.

If you are interested in joining the Ohio Society of Pathologists, please complete a [resident membership application](#) and email to Val Campana, OSP Administrator, at [veliaacampana@aol.com](mailto:veliaacampana@aol.com). Please note: You are not required to be an OSP member to participate in the poster competition.

The Ohio Society of Pathologists (OSP) is a not-for-profit organization composed of almost 250 physicians dedicated to the promotion of the field of pathology in the state of Ohio. Our members are involved in leadership positions at the local city, state and national levels. The Society is very active in the areas of continuing education, quality assurance and the legislative and socioeconomic aspects of the practice of pathology.
